

Pavilion Hospital - Staff IT & Facilities Guide

Document ID: PH-IT-FAC-002 | Version: 1.0 | Date: 2026-07-30

1. IT HELPDESK & SYSTEMS ACCESS

1.1 Getting IT Help

For all IT-related issues, contact the IT Service Desk:

- ServiceNow Portal: <http://pavilion.service-now.com> (preferred)
- Phone: extension 4357 (xHELP)
- Walk-in: IT Department, Ground Floor, Wing A, Room 004

Hours: Monday to Friday 07:00-20:00. On-call support 24/7 for critical systems only.

1.2 New Staff Account Setup

New employees must have their manager submit an Access Request form via ServiceNow before their start date. Standard provisioning includes: network login, email (firstname.lastname@pavilion.org), EHR system access (read-only), and Wi-Fi credentials. Role-specific access (e.g., prescribing rights, admin systems) requires secondary approval from the department head and IT Security.

1.3 Password Policy

Passwords must be at least 12 characters with uppercase, lowercase, number, and symbol. Passwords expire every 90 days. Reset via <http://pavilion.service-now.com/password>. After 5 failed attempts, accounts are locked for 15 minutes.

1.4 Approved Devices & BYOD

Only hospital-issued devices may connect to the secure clinical network (PH-Clinical). Personal devices may use guest Wi-Fi (PH-Guest) only. Plugging personal USB drives into clinical workstations is prohibited and automatically flagged by the DLP system.

1.5 Remote Access & VPN

Remote access is available via the Pavilion VPN client. Request access via ServiceNow. Two-factor authentication (2FA) is mandatory. Approved for: consultants, on-call physicians, and approved administrative staff.

2. COMMUNICATIONS & TELEPHONY

2.1 Internal Phone System

All internal extensions are 4 digits. Dial 9 for an external line. For emergencies, dial 555-100-EMERGENCY. Do not use hospital phones for personal long-distance calls.

2.2 Overhead Paging Codes

Code Blue: Cardiac arrest. All cardiac response team respond immediately.

Code Red: Fire. Evacuate the announced area. Do not use elevators.

Code Grey: Violent or combative person. Security to respond.

Code Pink: Infant/child abduction. Lock down all exits. Alert security.

Code Silver: Person with a weapon. Evacuate if safe, lock down otherwise.

To page a staff member: dial extension 5555 and provide the recipient pager number.

2.3 Email & Messaging

All official communications must use your @pavilion.org email. Patient information must never be sent via personal email or unapproved apps. The approved secure clinical messaging app is PavilionSecure (hospital-issued devices only).

3. FACILITIES & BUILDING SERVICES
